With a courtly bow, our Jester welcomes you. His jovial spirit is characteristic of the Southeast enthusiasm, vitality, and friendliness. As symbol of the 1965 Crusader, he will introduce the faculty, students, and varied activities of our Castle.

It is our sincere hope that as you travel with the Jester through these pages, you will see through his eyes the story of the Southeast school year 1964-1965.

Maggie -
You were a darling
little girl. Good luck always

Dedication

On July 28, 1964, the faculty and students of Southeast High School were saddened by the death of Mr. Roy M. Carter, industrial arts teacher at Southeast for nineteen years.

In addition to teaching metal classes, Mr. Carter gave many hours of unselfish service to our school. He headed the **Crusader** photography staff and trained many students throughout the years to operate the photographic equipment.

During his last illness, Mr. Carter requested that his personal photographic equipment be given to Southeast High School. These valuable cameras and attachments have been received with sincere appreciation by the photography staff.

To Mr. Roy M. Carter, dedicated teacher and loyal friend of Southeast High School, we dedicate the **Crusader** of 1965.

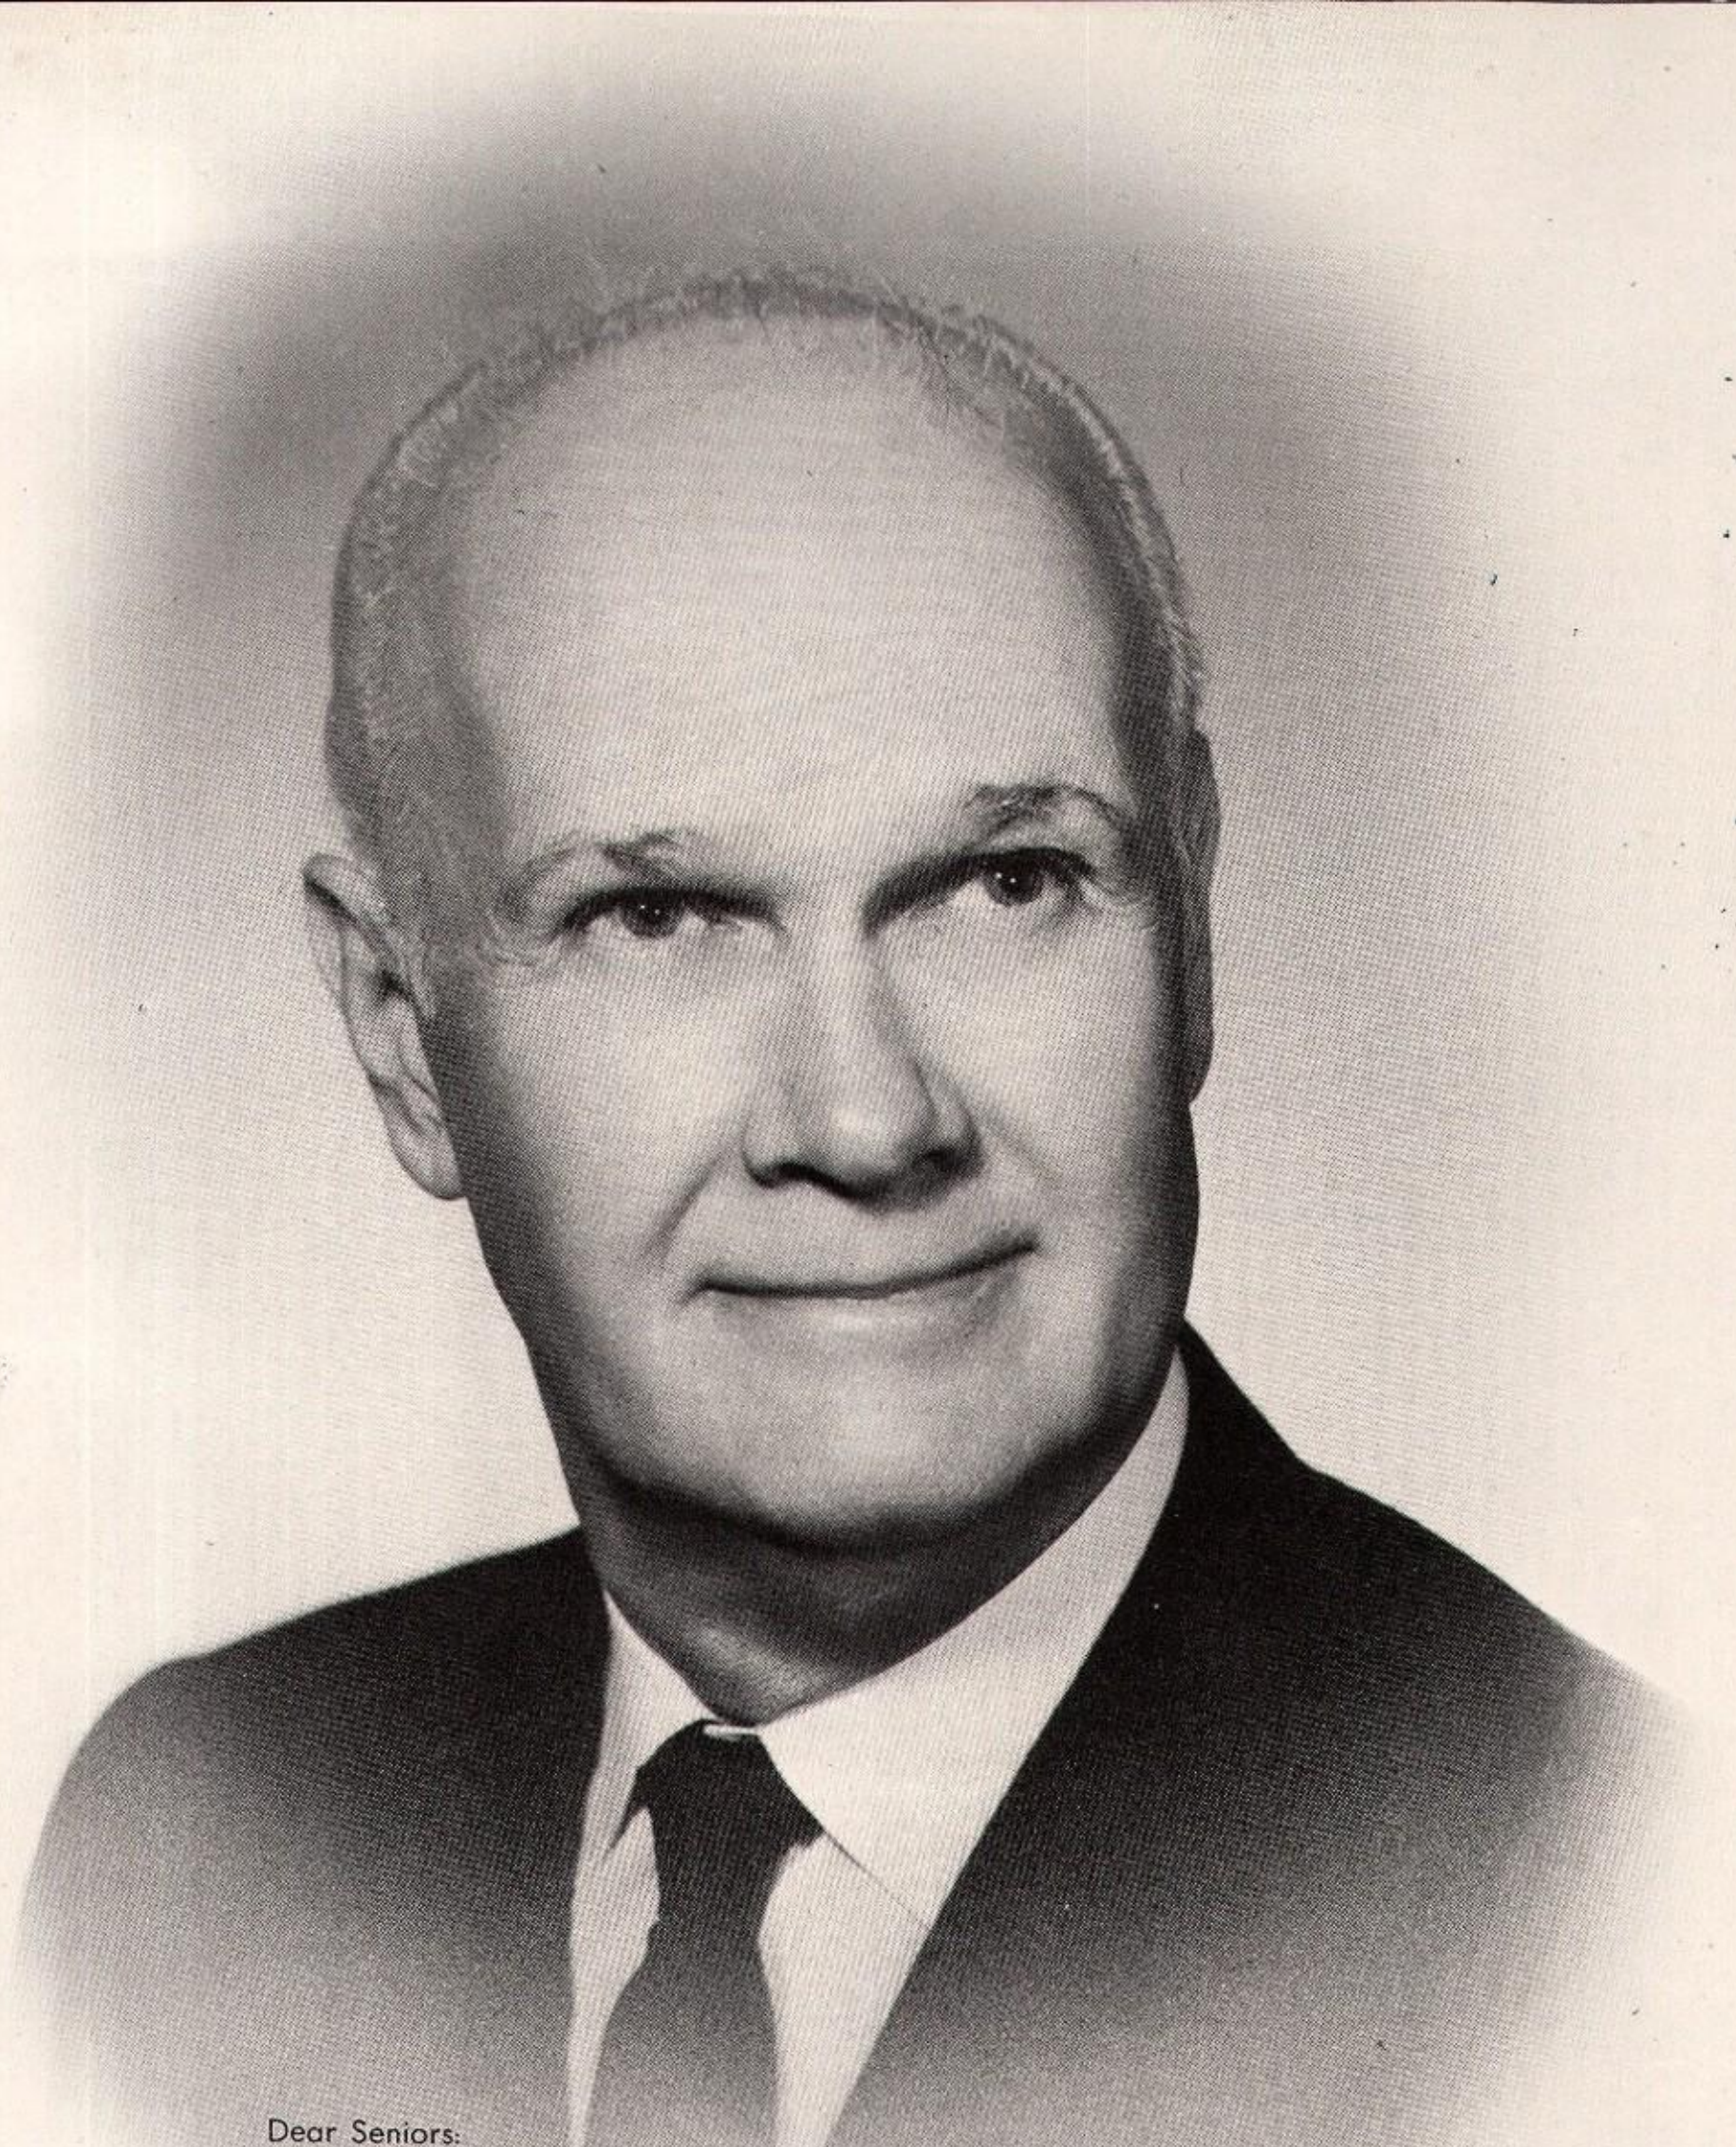
CASTLE



Dear Seniors:

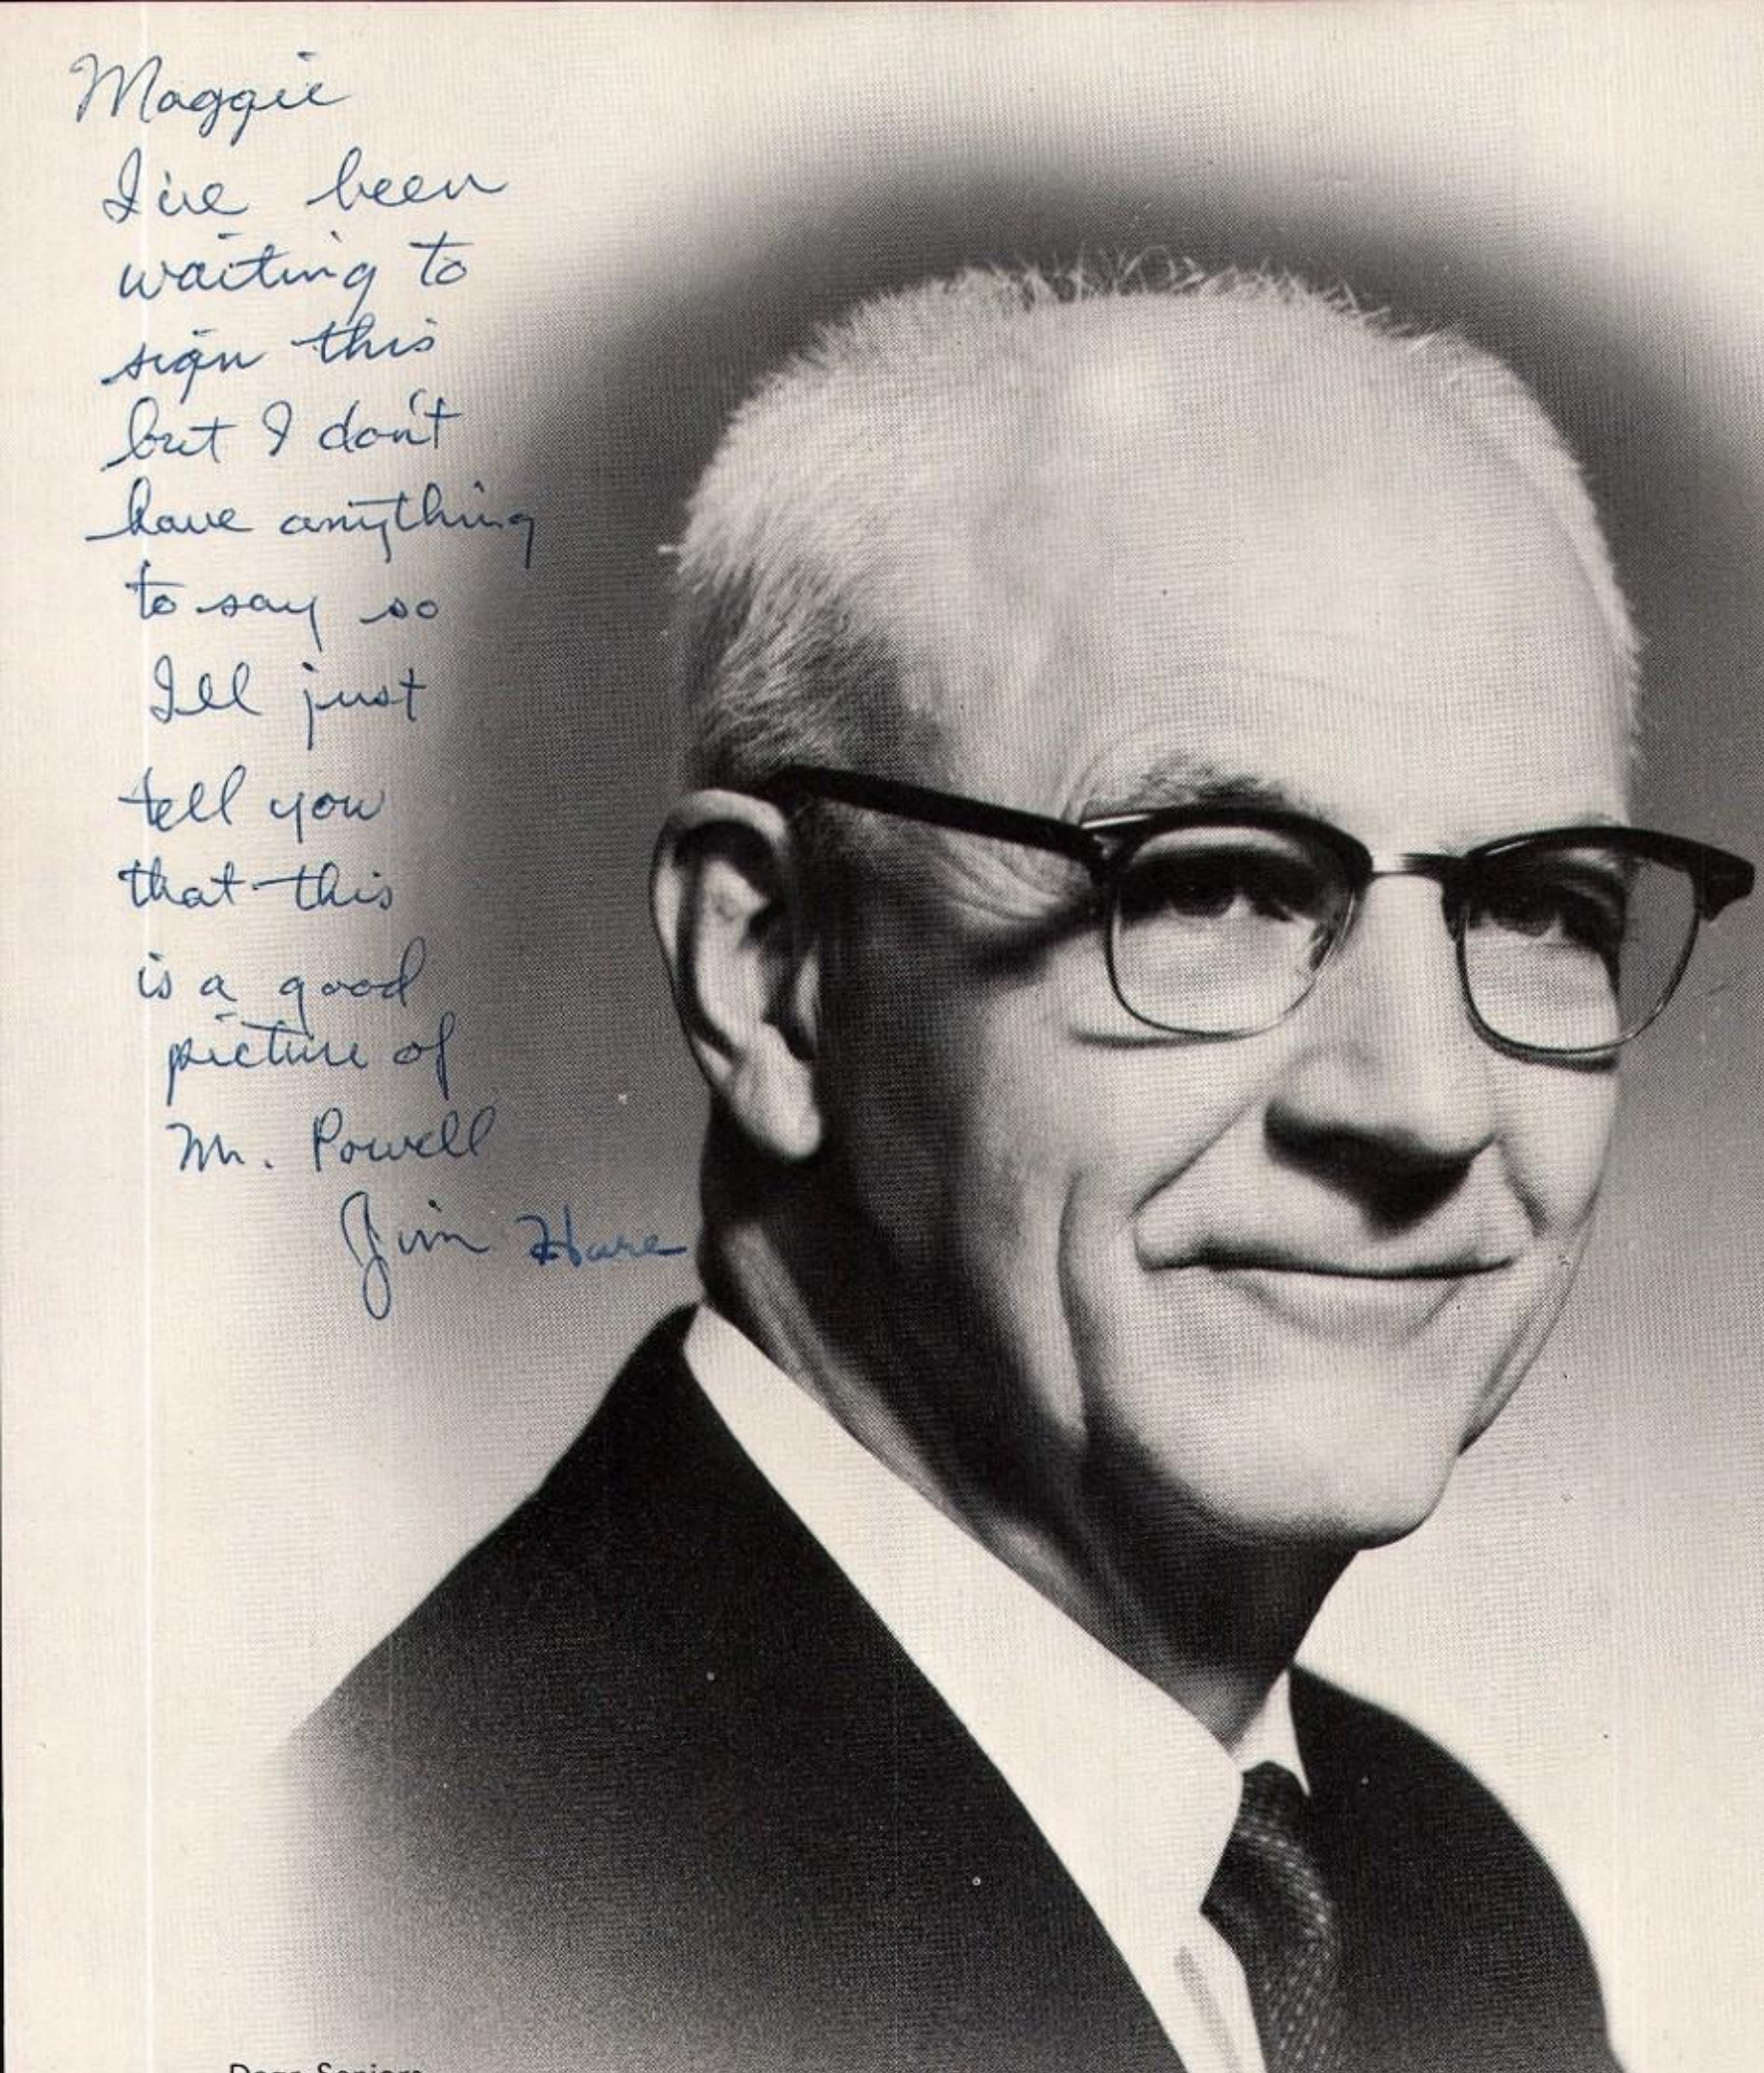
The JESTER of old was hired by king, nobleman, or wealthy man to amuse and entertain the guests. He did not offend reason nor justice. He displayed ready wit and common sense. Responding in laughter and happiness, the guests felt the earth to be a better place for man to live.

Each of you can be a KNIGHT JESTER in that you can give happiness to others, and in so doing, experience it yourself. But do not seek pleasure for others nor for yourself as if it were all, for you may be judged or rebuked, Remember, the jester was not a fool. Instead, he was a keen, clever, intelligent man.

Move forward to the dwelling place of your ideals and ambitions. Let your worthwhile achievements be your satisfaction, your need, and your pleasure.

Sincerely,

Harry R. McMillan, Principal



Dear Seniors:

We note with great satisfaction the gradual change which normally takes place from the childishness of an incoming freshman to the adult maturity of a graduating senior. To attain this maturity requires serious application to study, but it is typical of the youth attending Southeast High School to do the work of a student with a merry disposition.

This merry good humor is typified by the remarks and conduct of the court JESTER, who appears in the induction ceremony entitled, "The Making of a Knight." His cap and bells and gaily-colored costume will long be remembered by each student who has walked the halls of our castle.

It is our sincere wish that the merry disposition the JESTER portrays will carry over into the lives of each graduate. May the success we wish for each of you in the tournaments of life be blessed by a merry disposition, which you displayed as a knight or lady at Southeast High School.

Sincerely,

George R. Powell, Vice Principal

Miss Hiroko Miyauchi From Japan

Dear Knights and Ladies,

I am happy to have been chosen as one of the American Field Service foreign exchange students.

The aim of the American Field Service is to promote friendship between the United States and other countries. This friendship is promoted by giving the foreign exchange students an insight into the American way of life, and at the same time by giving American youth a better understanding of foreign cultures.

I have had a very wonderful time with you this year at Southeast High School. My life has been filled with many new and exciting experiences. These memorable experiences will become a part of my new world when I return to my native Japan.

Thank you so much for giving me the opportunity of living with you. I am very grateful for your kindness and generosity which have encouraged and inspired me throughout the year.

Very sincerely,

Hiroko Miyauchi

PEARSON, MELZINA

In Memory of Ronald Lee Butler

December 27, 1947—February 17, 1965

Ronald Lee Butler entered Southeast High School as an eighth-grade student in September, 1960, and attended until he became ill in February, 1964. During this time he was interested in many phases of school life, but he was especially interested in R.O.T.C. He was recognized by Sfc. Froelich as an outstanding cadet and rose to the rank of first sergeant of his company. He also attained the honorary position of Color Guard Commander.

In his memory Southeast's R.O.T.C. has established the Cadet Ronald Lee Butler Award, a permanent distinction to be bestowed upon the most outstanding cadets in each year of R.O.T.C. training. Each recipient of the award will receive a medal. His name will also be inscribed on a plaque which will hang in the R.O.T.C. room as a memorial to Ronald, a fine cadet and Southeast Knight.

In the picture above, John Rifenbark is wearing a beret-like cap which the Spanish call a "bonia." The wine bag or "bota" is made of goat skin.

John Rifenbark, a Southeast Knight, was selected to travel abroad last summer. John, sponsored by the American Field Service, spent seven weeks with a family in San Sabastian, Spain. In addition to touring San Sabastian, he visited Madrid, where he learned more about Spain and its people.

Knights Travel Abroad

Richard, shown below, is wearing a shirt called a "barong togalog" which was given to him by the Philippine National Red Cross. Made of pineapple fibers, this garment is worn to all formal occasions by men in the Philippine Islands.

In the summer of 1964, Richard Land was one of eleven teen-agers to represent the United States in the Far East. His trip was sponsored by the American National Red Cross. On his tour Richard saw how the Red Cross reaches people of Japan, Okinawa, the Philippine Islands, and Thailand. Richard stayed in the home of an average family in each country in order to better understand the culture of the people.

Freshmen Induction Introduces Knighthood

Southeast's Induction Program, **The Making of a Knight,** portrays with medieval pageantry the traditions and standards of our Castle. The highlights of this annual orientation program is the knighting of an outstanding senior boy. This year the honor was bestowed upon Harold Pettit.

Maggie,
Well here another school year's come to it's end. We've had lots of fun and I hope we have lots more. I know we will. Boy. don't seem like your be a senior next year. But your going to be, and I'll be a junior, well I'm sure glad I finally made it.

Maggie I don't know what to s[CRUSADES]our you & Tommy I just wan[t] to see you happy again. If you can't keep him but don't want to give him away, I don't know what to tell ya. But it's got to be your decision, none else can mak[e] it for ya. But I just wish you'd make it soon cuz your so sad. you gotta try to be happy.

Maggie you'll never know how happy I am cuz I got Sally. He's so much fun, well of cours[e] you know, you dated him last summer. Thanks to you I got to know him. Thank a lot.

Well I guess I'll we call pretty soon for something, Remember I'll we home all day everyday, if ya ever want to come down. Remember you always welcome!

Love ya
Sue

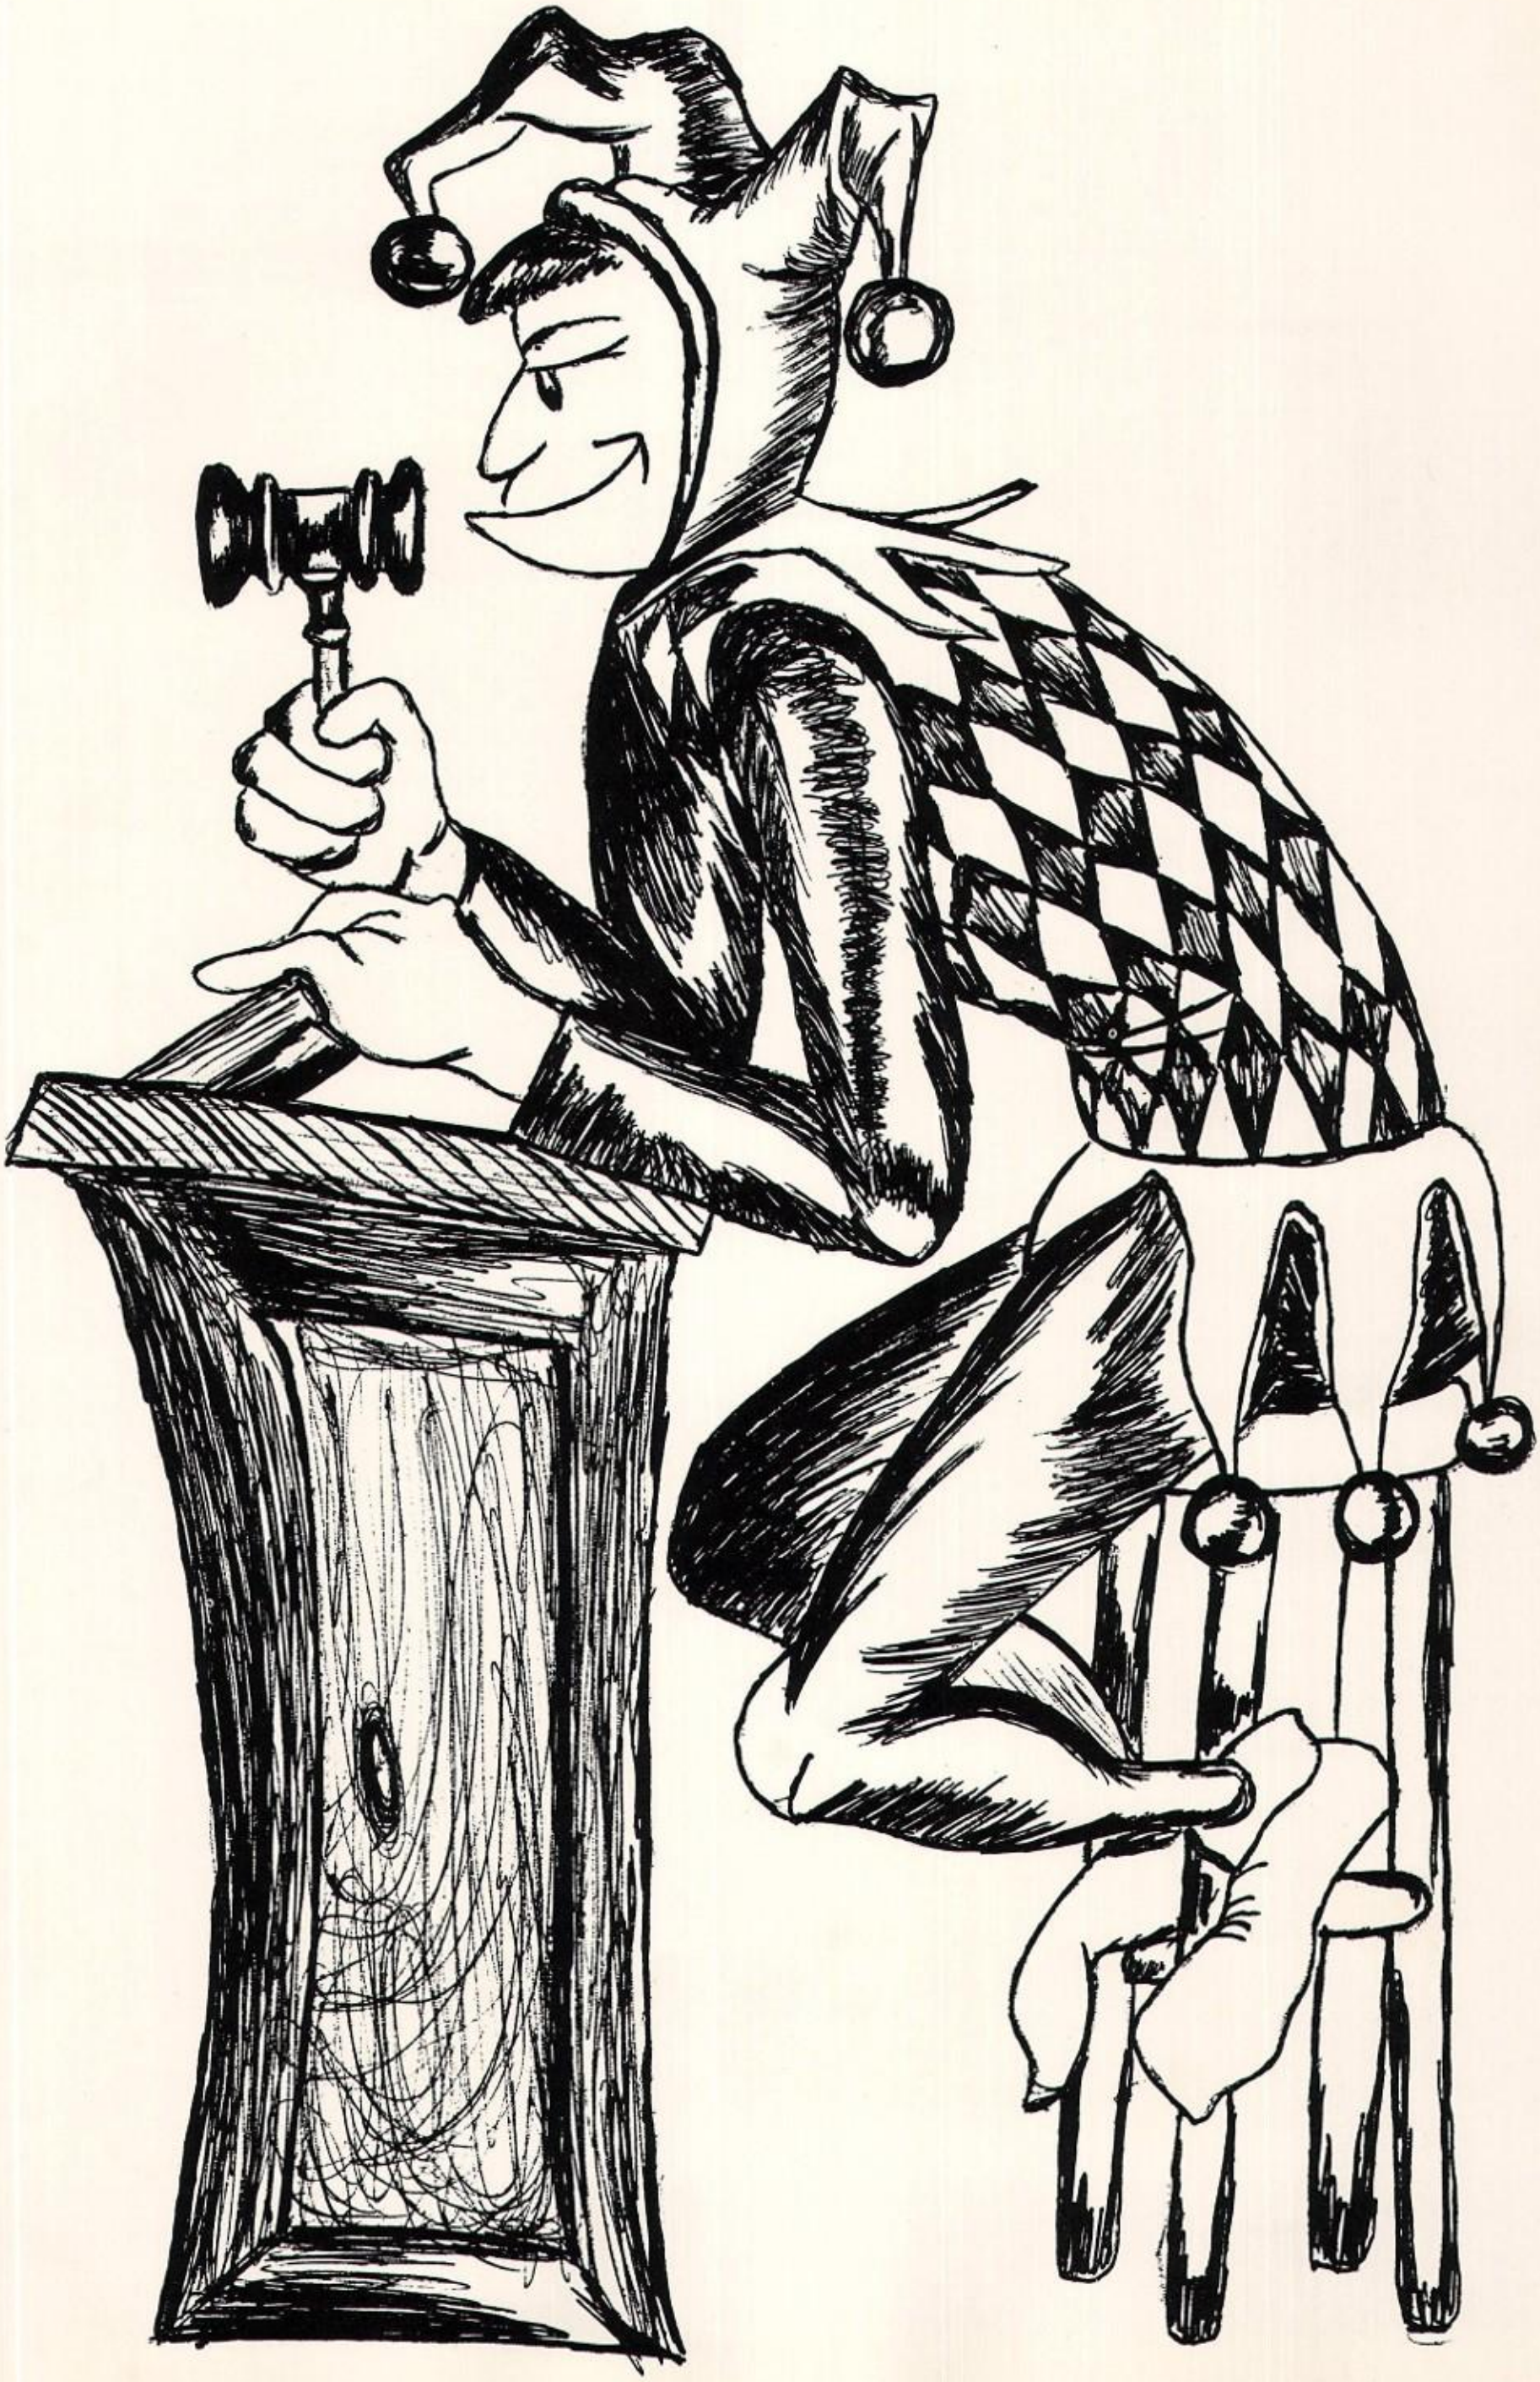
Call Sometime



The right of every citizen to be represented is a basic principle of democracy. Southeast's student government, the Round Table, named after the round table of legendary King Arthur, seeks to fulfill this principle. Its main purposes are to discuss student problems and plan school activities.

Representatives report opinions and suggestions of their homerooms to the Round Table meetings and relate decisions of the Round Table back to the students. The Round Table provides further experience in democracy during the two annual elections for Round Table president. Campaigning and voting for a favorite candidate encourages participation by each student in the democratic process. Following the election, the Round Table officers are installed at a special assembly.

Under the capable guidance of Miss Louise Mosman and Mr. Clifford Carpenter, this year's Round Table sold candy, Southeast decals and key chains, and held a sock-hop for "Koko." These projects provided funds for next year's foreign exchange student.

Betas Lead By

Southeast's chapter of the National Beta club, an honor society, recognizes juniors and seniors who have maintained superior scholastic and citizenship ratings for five semesters. Betas serve their school and community in order to realize the aim of their motto, "Let us lead by serving others." Their activities include selling **Knights' Handbooks** to new students, decorating the showcases, performing in Knightlites, painting the waste containers in the halls, ushering at Commencement, and presenting a useful gift to the school.

Our Pep Club

Since its founding in 1954, the pep club has worked to increase school spirit. Our energetic cheerleaders lead chants and cheers to show the team that we are behind them. Wearing their red and blue uniforms to school before each game and making posters for the Rotunda, the pep club members arouse enthuiasm and boost attendance. The pep club's "S.E." formation at the homecoming game provided a setting for the crowning of this year's football queen, Miss Linda Lubke. The club's sponsor is Miss Sarah Gaggens.

Penthouse Provides Acting Experience

Penthouse, Southeast's drama club, is open to speech students who have accumulated sufficient points by participating in speech activities such as performing, directing, or serving on a play committee. This year, members of Penthouse were seen on the stage and behind the scenes in school dramatic efforts. These included the Penthouse play, **Sunstroke;** the children's play, **Winnie-the-Pooh;** and the spring play, **Our Hearts Were Young and Gay.**

65 Crusader

The frequent laughter and incessant chatter radiating from Room 9 this year could only indicate the Jester's presence among the seventeen purposeful Knights and Ladies whose combined creative talent, organizational ability, and co-operation created the 1965 **Crusader.** Mrs. Porto, our adviser, served as a repeated reminder that our task was to produce a good yearbook.

The staff was determined to capture this year's memories and, moreover, the spirit of the Castle between the covers of this book. It is our sincere hope that we have accomplished our purpose, and that readers of the 1965 **Crusader** will enjoy it as much as we have enjoyed creating it.

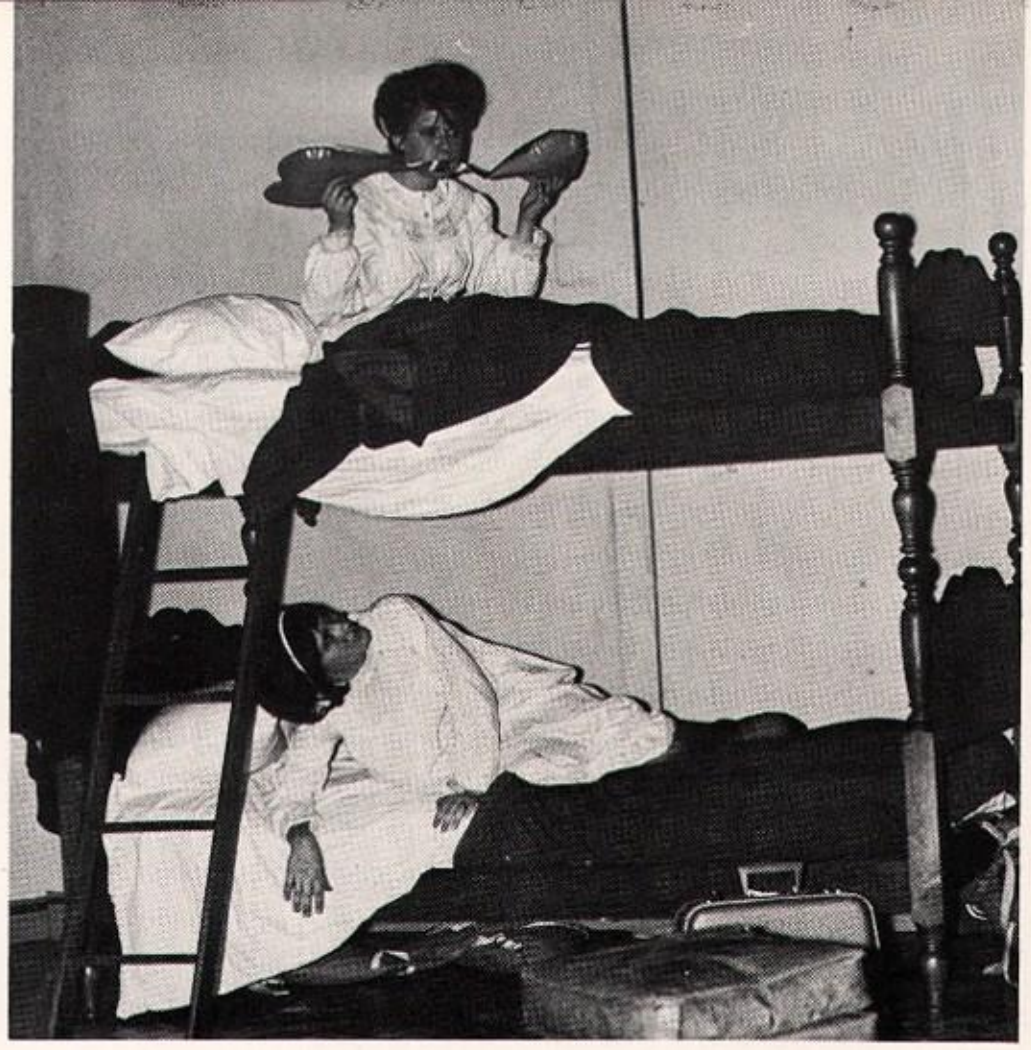
Knightlites '65

Goblins and ghosts lent a ghoulish cast to the Convention of Local 509, this year's **Knightlites** presentation. Gathered at Weathering Frights Hotel, the witches, skeletons, monsters, fiends, and other companions performed a variety of dances, songs, and other kinds of revelry. Directed by Mrs. Eleanor Brown, this year's show delighted all with its bewitching entertainment.



Spring Play Delights Audiences

Our Hearts Were Young And Gay

The 1965 Spring Play, **Our Hearts Were Young and Gay,** took Castle audiences back to the 1920's. Written by Cornelia Otis Skinner and Emily Kimbrough, the delightful story concerns the authors' adventures when they were nineteen and took an ocean voyage to Paris.

Cornelia, ambitious to become an actress, and emotional Emily were anxious to set out for Paris. After Otis Skinner, Cornelia's skeptical father, and Mrs. Skinner, her fretting mother, had given final instructions and warnings to the girls, the boat set sail for Paris, and the girls breathed sighs of relief. However, measles, "safety pockets," romance, murder, seasickness, an exploding water heater, and a deceiving French actor complicated their first taste of independence. **Our Hearts Were Young and Gay** concluded as the girls met Cornelia's parents and returned home with them.

The play was directed by Mrs. Eleanor Brown with Mrs. Martha Armstrong as her assistant.

C.O.E. Students Earn While They Learn

Students enrolled in C.O.E., the cooperative occupational education program, combine a three-hour school day with a part-time job. Under the supervision of Mr. Cecil Coombe, C.O.E. students are placed in working situations according to their abilities, interests, and school achievements. Through C.O.E., they earn money while acquiring valuable work experience.

School Activities

A wide variety of activities filled our days, expanded our interests, and increased our appreciation of life in the Castle. Given the opportunity to participate in many fields, we chose from those which we thought would interest and benefit us most. With enthusiasm, we carried on traditions and established new ones. The benefits from our experiences can only be matched by the enjoyment derived from participation. The memories of our activities will be valued through many years.

R.O.T.C. Serves Our School

The Reserve Officers Training Corps stresses leadership as well as the ability to obey command. Through the R.O.T.C. program, cadets learn military discipline and procedure under the leadership of Sfc. Edward Froelich.

The R.O.T.C. activities include mastering the handling and care of firearms, raising and lowering our country's flag, improving marksmanship, and learning precision drill and first aid techniques.

The R.O.T.C. cadet may put his training to use by continuing military service, or it may serve simply to make him a better citizen.

TOURNAMENTS

Maggie!
Well, we've had a lot of fun this year. Liteking school, classes, and going to Giff's for lunch. I sure glad I got to know you this year! You're cute, sweet, and you have a darling personality to go with it. I hope we will always be good friends and have a real blast. You're cute, too, and I get to see you this summer! The future. I can become closer friends in Maybe, when I'm not with Jim we can go out and swim, mess around, go places, and even go drinking (Ha! Ha!) I'm sure Jim would like some fun! That! Well, anyway, we can go out and have some fun for now! Be good!
Well, I'll close for now!
Lots of luck,
Linda

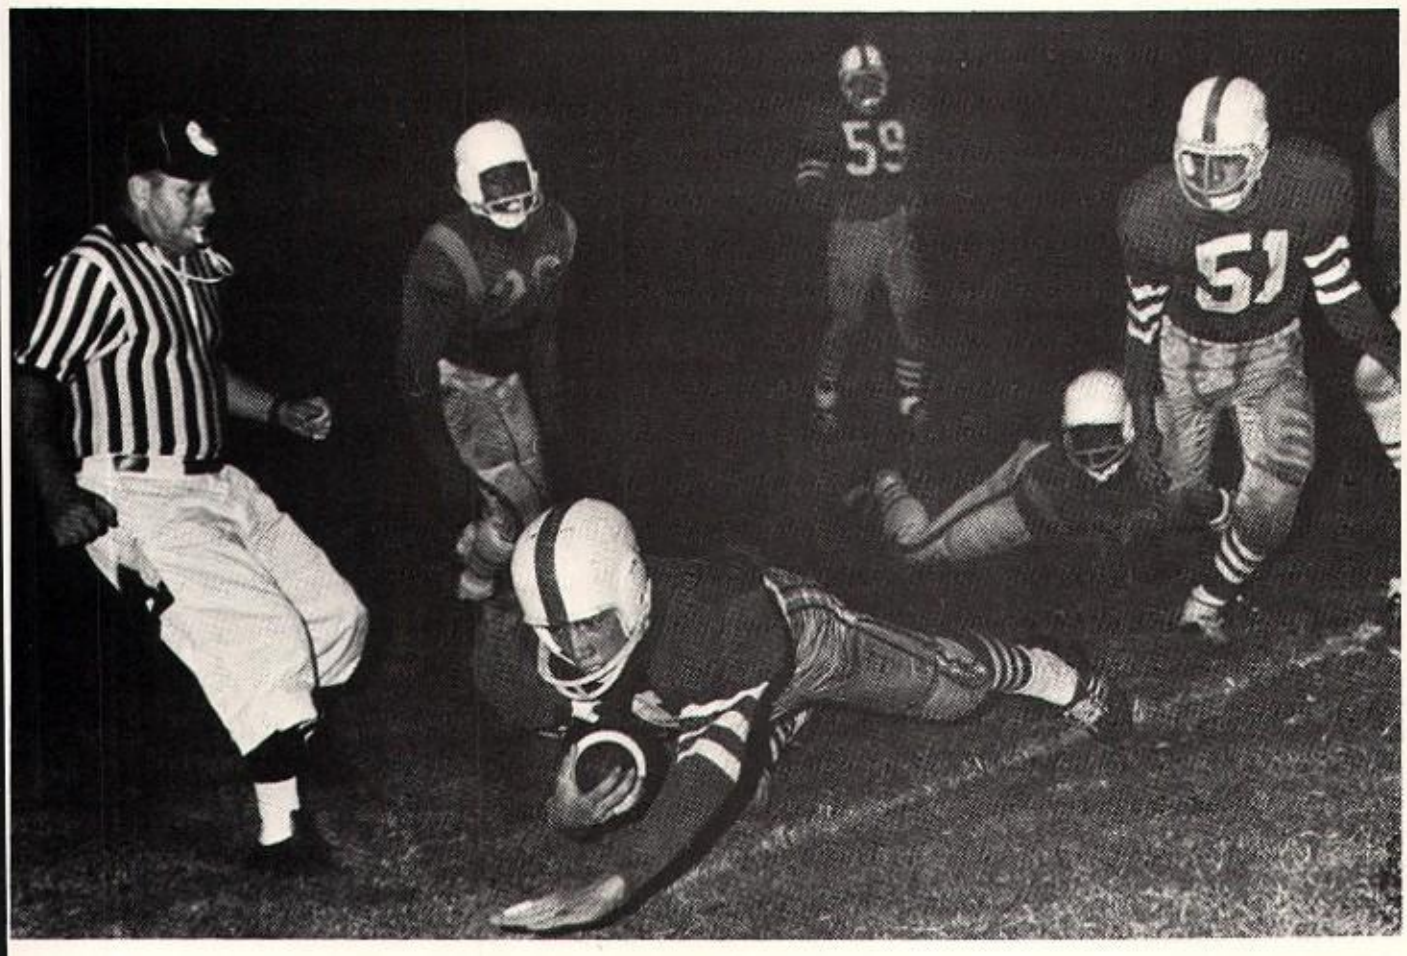
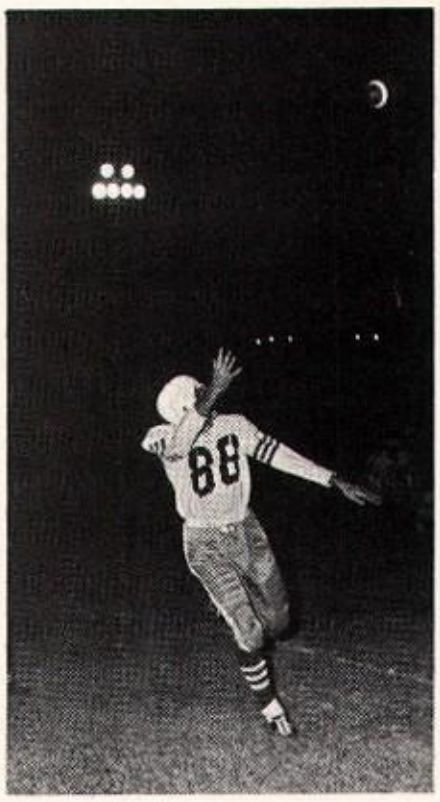
The Knights' varsity football team engaged in a hard-fought battle for a first place berth in the Interscholastic League. However, hopes for the title were shattered after our team suffered defeat at the hands of a determined Southwest team. Despite this setback, we still finished third.

The competition was rough this season, but our boys never lost their fighting spirit. The team's best performance was the 34-6 conquest of Northeast. One of the team's most exciting victories was a 14-13 decision over East.

Accent On Action





These photographs give an idea of the action that thrilled the fans at the Interscholastic League Stadium this season. Mirrored in the faces of the players is the determination to bring honor to the Castle. The scenes depict the ruggedness that is present in today's football.

Our B-team produced a very fine 8-1 record for the season. Of the three shut-out wins, one was a 2-0 victory over Van Horn. The highest scoring game for our boys was a 38-13 triumph over Paseo. In two non-league games, Maple Park lost 26-0 and Raytown fell 35-14 before our determined team. Mr. Gerhardt and Mr. Boyce again coached a B-team of which the school can be proud.

Our Knights played to the best of their abilities this year. Despite a lack of height, the team provided plenty of thrills for fieldhouse fans. Their strong desire to win, demonstrated at all of the games, inspired all of us. No team in the city could claim to possess more hustle than the blue and scarlet.

Jan Schmalz, Ken Jacobs, and John Walton jumped high to grab rebounds off the boards while Terry Westbrook, John Allred, and Ron Merfen demonstrated their skill by driving through the opposition's defense. Players who hit that magic mark of twenty were John Allred, Jan Schmalz, and Terry Westbrook. While these individuals were stand-outs, it was team effort that gave Southeast its victories this season. Highlights of the season were winning runner-up position for the William Jewell trophy and an overtime victory against Van Horn. The varsity compiled an 8-13 record.

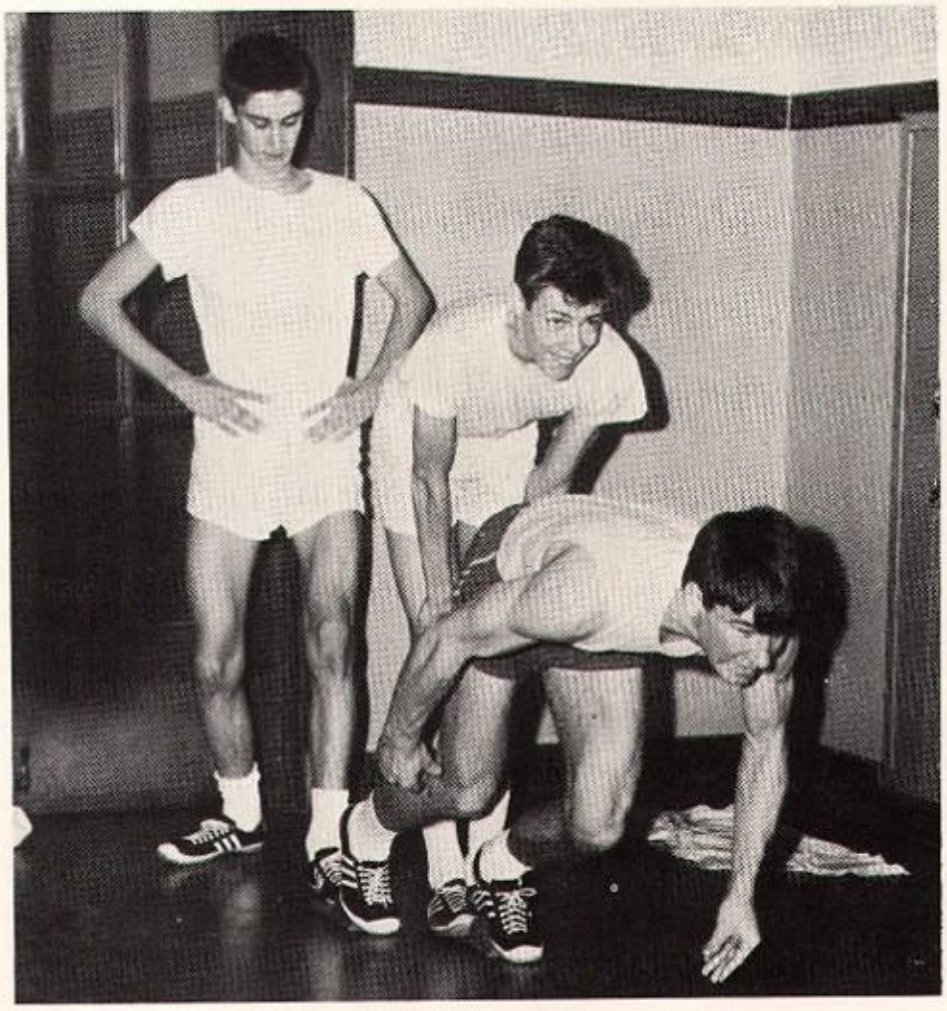
Track Trains For Triumphs



The track boys worked out very strenuously in order to produce a team that Southeast could be proud of. Our boys practiced for such events as the pole vault, high and low hurdles, broad jump, 880 relay, mile relay, shot put, discus, and the 100 yard, 220 yard, and 440 yard dashes. The excellent coaching of Mr. Cross, Mr. Boyce, and Mr. Gerhardt contributed much to the success of our track team.

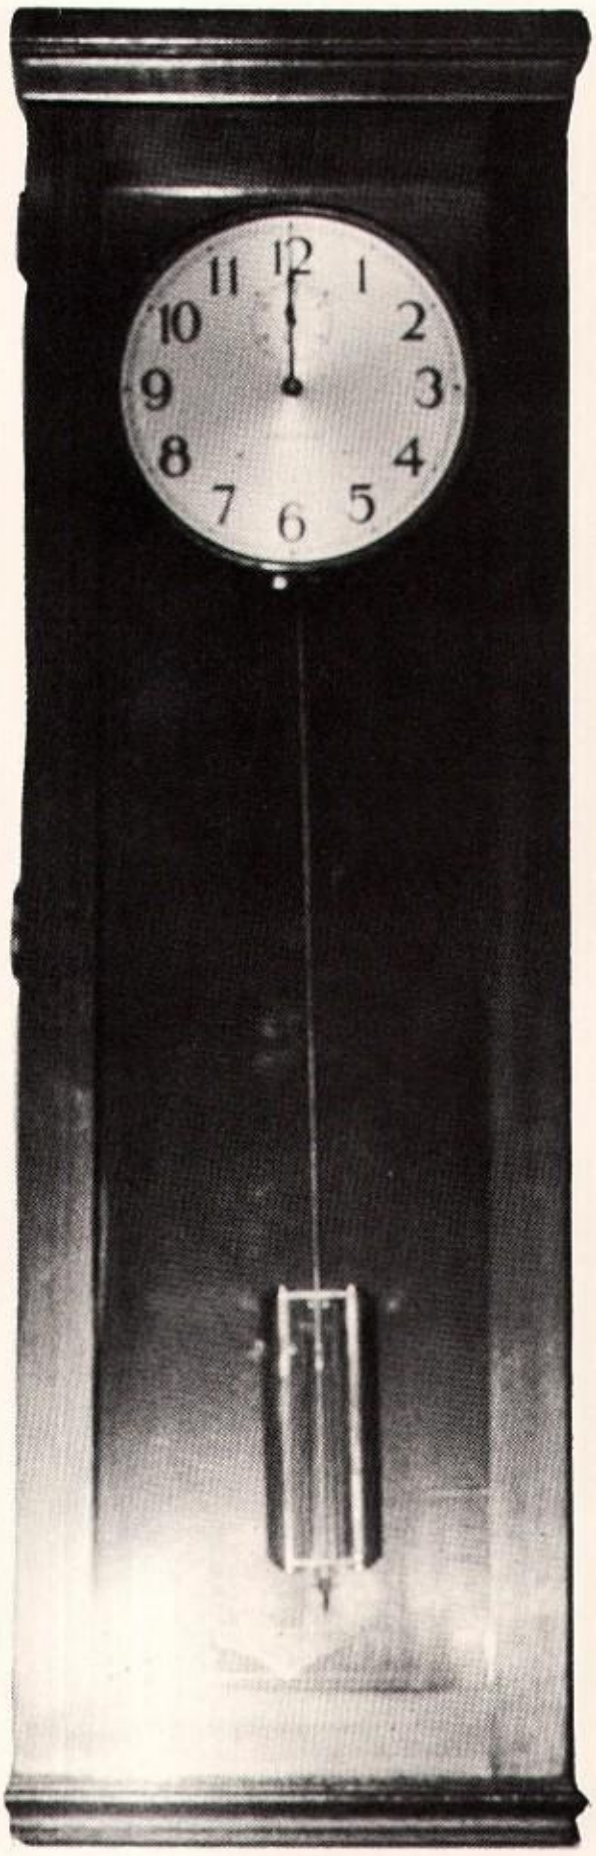
A Time For Senior Reflections



During the last days of this school year, the graduating senior pauses in the activity of preparing for finals, the Prom, the Senior Assembly and Commencement to reflect on his high school years. How he has spent this valuable time dwells in his thoughts. Has he seized the opportunities for education presented to him? Has he achieved some measure of personal success? How has he faced challenge and competition? Has he developed a sense of humor, good judgement, and self-confidence?

The seconds and minutes, hours and days, weeks and months have accumulated to a total of four years. This time is gone, but memories and useful knowledge remain with the student. New challenges beckon the graduate, but he will not forget his years at Southeast.

To everything there is a season, and a time to every purpose under the heavens...
Ecclesiastes 3:1

P.S. The only thing that could
have made it better is
if Mr. George was here

Maggie -
I'm glad I got
to know you this
year. I have fun
this summer with
Tommy. Janice R.

Maggie
You're a good kid
I think; the best
you're ready a sweet
nice darling
crazy kid!

My Darling Maggie

I don't know how to start telling you what I have to say, so I will just tell you what I am thinking about. Maggie darling ~~since~~ you /

You are very sweet and stay that way.
Be good.
Linda M. Brown

Maggie,

So a real sweet
girl with a real great
personality and who is very
pretty too! "Good luck" in the
future years and hope to
see you alot this summer.
